

## **DIPLOMÁTICOS**

**Flavour profile:**           **Medium to full**

Diplomáticos is a comparatively recent brand dating from the 1960s. Its original line up bore a marked resemblance to Montecristo, even using numbers rather than names to describe its sizes.

The remaining No.2 size is 'tripa larga, totalmente a mano' – long filler, totally handmade.

### **The Range**

#### **No.2**

Still produced in Cuba today, this well-tailored torpedo with its distinct appealing flavours offers excellent aromas and smoking characteristics true to of its shape.
