

La Gloria Cubana

La Gloria Cubana is a little known jewel amongst Habano brands. Nevertheless it enjoys a long history. Founded in 1885, its name alone clearly defines its origin. For over a century it has attracted a small but loyal following amongst the most knowledgeable smokers. The brand is characterized by its elegant presentation, especially in the Medaille d'Or Series.

All the vitolas are Tripa Larga, Totalmente a Mano – long filler, totally hand made.

The blend, made from filler and binder tobaccos grown in the Vuelta Abajo region, offers well-balanced nuances of taste and aroma.

The Range

Medaille d'Or No.4

This slimline cigar is presented in a classic 8-9-8 box and offers around 30 minutes of elegant and affable, medium-bodied smoking time. An uncommon cigar but, for devotees of the slender ring gauges, one well worth seeking out.
