

## **RAFAEL GONZÁLEZ**

**Flavour profile:**        **Light**

Rafael González was created in the 1930's and its cigars contain a light tasting blend of filler and binder leaves from the Vuelta Abajo zone.

All sizes are made by the 'tripa larga, totalmente a mano' – long filler, totally handmade technique.

### **The Range**

#### **Perla**

A welcome new addition to the array of small format, light flavoured Havanas. Well made with a distinctive aperitif taste. Great accompaniment to a glass of bubbly.

#### **Petit Corona**

A light, elegant Petit Corona with a taste and format that makes it an ideal way to start the day or before tucking into a light lunch.

#### **Coronas de Lonsdale**

A delicious light flavoured, Hermoso No.4, from an often overlooked brand. This quickly became a quiet triumph in the UK when it was launched in 2024, for those in the know.
